- Sailing Instruction version history and log

1) Change to Sailing Instruction #1, 18/02/2022

Reason for change: The change to Sailing Instruction 1 covers 2 changes. The first change is to Sailing Instruction 6.1 – Schedule. The intent of this change is to amend the wording such that the competitor briefing is optional.

The second change is to the schedule of races. Sailing Instruction 6.4 is amended to allow for the inclusion of a separate start for the Red Witch 50th Anniversary Regatta at 13:45. The scheduled start times of subsequent fleets are amended to suit. This change is reflected in the scheduled start times noted in “Appendix B: Course”
